

Forcefully disassimilation

Previous Table of Contents

Zhou Qingchen clenches teeth ruthlessly, facing the Yun Che's vision, he trembling that from is unable to stop haunches three points of unyielding forcefully: „God Territory all realms, all regards the Lower Realm life is the lowly ants, extinguishing such as shears worthlessly. Audience only my Eternal Sky, emperor only my Royal Father, never slaughters any innocent Lower Realm life! If there is a bitter experience, will also make contribution insurance of it protecting.”

„Your native land..... that named Blue Pole Star Lower Realm planet, my Royal Father does not extinguish, its destruction, is Moon God Emperor. My Royal Father aims, always only then your!”

Changes individual, may appreciate the Zhou Qingchen expression and his look at this moment very much.

If there is an observer, will decide will sigh woefully not indignation for him. How because of regardless of Yun Che and Eternal Sky God Realm grievances, Zhou Qingchen is a through and through innocent person. He has never made anything, has participated in anything, he is only the Zhou Xuzi son.

Innocent with sorrowful..... is the same on such as Yun Che all family members!

„Said well, very good that said.” Yun Che lifts the hand, patted the head of Zhou Qingchen: „This spoken language, also bemoan the state of the universe and pity the fate of mankind ‚bearing’, really resembles with Old Dog Eternal Sky. I in the past, then because of these, but subdued, respects to him extremely. Especially his ‚kind-heartedness’ and ‚commitment’, I once think that is Eastern God Territory most sacred, most indestructible thing, tch tch.....”

„Yun Che!” Qianye Ying'er opens the mouth suddenly, the tone is bad: „How must handle him, hurries to begin. Do not waste the time in waste body!”

„.....” The Zhou Qingchen eye pupil trembles fiercely, the difficult revolutions head, the corner of the eye touches the Qianye Ying'er little silhouettes reluctantly: „Goddess, you.....”

„Waste? He is solemn Eternal Sky Crown Prince.” Yun Che smiles to look at Zhou Qingchen. He can be unyielding under oneself hate pupil light as before, but Qianye Ying'er a few words, almost crushed his in the eyes all bright lights unexpectedly all of a sudden.

„Snort!” Qianye Ying'er coldly one, never reviews shoots a look at Zhou Qingchen, even if: „Besides Eternal Sky Crown Prince this status, what he is also? Moon God Crown Prince of his Moon God Realm that tragic death was inferior, good and evil that Yue Xuange also ambition has the method, but this person..... the son of old dog, naive stupid, but also thinks oneself infallible aloof from worldly affairs uncommon puppy forget it/that's all.”

„.....” Zhou Qingchen whole body fierce in a flash, complexion split second becomes pallid, tracks down the vision of her silhouette to become a pollution vigorously, clutches the tight heart all of a sudden as if in bloomed the innumerable fissures.

„Must turn into the dark hell person as a oath God Realm, unexpectedly with such goods waste so many lips and tongue.” Qianye Ying'er coldly laughed: „Your style only this that's all?”

Yun Che stares at her one eyes: „A your day does not puncture my several dead!”

„Opportunity that you deliver.” The Qianye Ying'er brow sinks: „Zhu Liu and Tai Yin die, that side Eternal Sky will have a sensation, here cannot stay for a long time again, hurries to solve him!”

„.....” Is listening to the dialogue of two people..... particularly the Qianye Ying'er words, Zhou Qingchen both eyes, and even the Soul bright light seems like brutally routed, he decides there, the double pupil changes colors, is unable to say a word.

Yun Che's hand according to the head of Zhou Qingchen, said slowly: „Brother Qingchen, a person, if becomes Devil, without making anything, cannot appearance/allow world the evil heresy. Remembered you say well words, this whole life do not forget!”

Bang!

In the Zhou Qingchen brain rumbled, consciousness thorough collapse, faints.

„Prepares how to handle him?” Qianye Ying'er spoke thoughtlessly asked.

Yun Che has not spoken, his palm lifts, the five fingers separate, one group of incomparably profound black glow condense in the palm, in a twinkling, the ray fast tarnish of surroundings world, such as the night is near suddenly.

Darkness Everlasting? Qianye Ying'er transfers the eye..... to toss about small Zhou Qingchen, why can use the strength of Darkness Everlasting?

Moreover the revolution of Yun Che body strength eternally, even she feels a more and more grave constriction. Obviously, the strength of this Darkness Everlasting is not but at fingertips is, but is several goes all-out.

After several breaths, the darkness has covered the Yun Che whole person completely, a surroundings dozens li (0.5 km) light was almost also swallowed completely.

At this time, Yun Che's palm finally duplicate, brings black glow that eternally bit the world, the pressure turned round in the chest of Zhou Qingchen, the darkness that unfolded swallowed him immediately completely.

In the Qianye Ying'er heart flashes through puzzled. By the Yun Che present strength, 10,000 methods will not leave behind Zhou Qingchen destruction a wee bit residuals, without the reason so big fee/spent flustered bites him in the darkness.

But immediately, she detected suddenly, this brutally bites in Initial Stage Divine Lord the darkness that extinguishes sufficiently, the body of Zhou Qingchen actually returns safe and sound, even/including his power had not been swallowed.

Then dark strength from Heaven Smiting Devil Emperor, if unexpectedly the innumerable say/way dark brooks, in the body of inflow Zhou Qingchen slowly, integrate his body, the blood bone, meridians, Profound Vein, the five internal organs and soul.....

His power and consciousness as if want to struggle the resistance, but, his strength far weak in Yun Che, but Darkness Everlasting is Devil Emperor plane/level devil art, in addition he is the comatose condition, his struggling lowly cannot withstand, in an instant, all will of strength and resistance struggling, by dark completely engulfed.

could it be that is.....

He..... is turning into Devil Zhou Qingchen!?

Qianye Ying'er looks the instant startled color.

Latter as if made by heaven is Devil naturally is not the achievable matter. Under the extreme negativity influence, or extremely pure dark bloodline will assimilate with, but after , as if made by heaven demon. The former little appears extremely, latter..... not to mention this kind of Primordial devil blood in Northern God Territory few such as extremely rare, with hostility of God Realm to Devil, the normal person will not accept itself to become Devil.

But in addition, vertical by the Qianye Ying'er cognition, never hears has had what way a person forcefully disassimilation to be Devil.

She becomes Devil, was refining drop of Devil Emperor's blood. But this also completes under her initiative will, if she does not hope, Yun Che wants to give her refining unable forcefully.

But present Zhou Qingchen, he unexpectedly in passive..... was changed to Devil by Yun Che!?

Darkness Everlasting, unexpectedly also this fearful ability!?

The weakness of Zhou Qingchen is relatively speaking, his cultivation base after all is Divine Sovereign Realm Intermediate Stage. Disassimilation Intermediate Stage Divine Sovereign profound strength, by the strength of Yun Che current Darkness Everlasting is not an easy matter, but that distortion pleased makes his eye pupil enlarge, the finger is trembling.

Buzz---

After half quarter, dark suddenly collapse, light at extremely quick speed again duplicate under.

The darkness was scattered, only has Zhou Qingchen..... his body to twine light black light, appear and disappear from time to time.

But, this wipes black glow is not the attachment, but originates from his body, his Profound Vein..... and even his Soul!

Because he cultivates lifetime profound strength, by Yun Che by Darkness Everlasting, having been forced the disassimilation to become dark profound strength!

Darkness Everlasting, same should not exist with Evil God's Secret Arts in present world the strength of counter world, it, is the terrifying ability of unique cognitive boundary Yun Che's body shows.

Does not know that many time the fearfulness of having witnessed Darkness Everlasting, Qianye Ying'er after short startled, pouring is not so shocking, but stared at Yun Che some little time, suddenly a flowery lips check, reveals one wrapped in a shroud of obscurity thin smile: „Really is virulent, is worth praising.”

Right, virulent.

..... Solemn Eternal Sky Crown Prince turned into Devil Zhou Qingchen!

To Eternal Sky Divine Emperor,..... she cannot find out to Eternal Sky Realm compared with this

more virulent method!

She even cannot imagine Eternal Sky Divine Emperor to see oneself most cherish, after is the wife lives the only one son who becomes Devil, will present the what kind of splendid response.

Yun Che grasps the stupor Zhou Qingchen, profound ark that in loses before Qu Hui releases him directly.

„Brother Qingchen, believes that you will certainly enjoy your following life.“ The Yun Che happy expression is light, the palm pushes, profound ark had stimulated to movement by profound energy forcefully, flies to the distant place.

profound ark had just now been engraved the whereabouts by Qu Hui, does not have/leave the accidental/surprised words, should be separated from God Realm of Absolute Beginning, flies back to Eternal Sky God Realm.

Yun Che hopes that very much his homeward journey leaves what accidental/surprised.

„Old Dog Eternal Sky, enjoys me to give your largest present well!“

Looks at profound ark to fly from the field of vision silently, Yun Che slowly low nan: „All, just started.“

Qianye Ying'er arrives at his body side, said: „Stays here, returns to North Territory?“

If is not related to Absolute Beginning Divine Fruit, he and Qianye Ying'er will not make themselves expose. At the present Divine Fruit succeeds in obtaining, makes God Realm of Absolute Beginning may not keep the place.

Without a doubt, a long time, Eternal Sky God Realm will then search for God Realm of Absolute Beginning together with all realms surely full power.

If turns over to Northern God Territory, must face the threat of Plundered Soul and Plundered Soul liangs Great King Realm.

„Returns to North Territory.“ Yun Che almost not hesitates: „Before time, but now..... was similar!“

„Oh?“ Qianye Ying'er faint smile: „Because of Savage World Pellet?“

Now, Savage Divine Pith and Absolute Beginning Divine Fruit all already in hand, but the record and legendary „Savage World Pellet“, is then built up by these two.

„Savage World Pellet“ came from the record of Primordial Era of the Gods. At that time, the world humanities think that existed loses the record its impossible to appear in the god in the present world.

But, successfully refining up Savage World Pellet from Eternal Sky Great Ancestor, and draws support from it to reach the sky in a single bound, after to lead Eternal Sky Realm also becomes bends down world King Realm, it then became all profound practitioner, and even King Realm endless longs, the thing of miracle actually never dares to expect truly.

Because of regardless of Savage Divine Pith, is Absolute Beginning Divine Fruit, its one is bestowed by heaven, let alone its two.

If, Savage World Pellet really has in the legend like that mysterious, that.....

„Otherwise?“ Yun Che unemotional question.

„You probably happy too early.“ Qianye Ying'er said: „Absolute Beginning Divine Fruit in my hand, your actually point does not care now probably, are you so assured I to give back to you?“

Yun Che looks at her one eyes, said: „That wild world pill, had your half, you do not need to use such inferior method.“

„.....“ Qianye Ying'er fierce revolutions eye, the pupil light frames instantly, said: „You may know, Savage World Pellet is what kind of divine item! Will you be willing to give me half? When you I am Zhou Qingchen that kind of naive idiot!“

„In the Wood Spirit Royal Family memory, has the record about Savage World Pellet.“ Yun Che expression as before light: „Shen Xi had also once mentioned in me specially. Therefore I the understanding Savage World Pellet, should also probably by far in you.“

Qianye Ying'er: „.....“

„My Heavenly Poison Poison Spirit, she knows completely refines the Savage World Pellet method. With the aid of Sky Poison Pearl the strength of tempered, Savage World Pellet that will soon present in my hands, absolutely not once may compare in that the God Realm history presents. Even if only half, its Divine Power will also be by far it!“

„What's the big deal?“ Qianye Ying'er beautiful eyes narrows the eyes: „No one can resist the seduction of Savage World Pellet. Especially has a dream is thinking you of revenge. I do not believe you will give me half!“

„As my tool, you do not have the qualifications of question!“ Yun Che voice/sound slightly cold: „Moreover, you forgot a matter probably.“

„My profound strength after erupting may be a worthy opponent Divine Lord Realm, but my Profound Vein, eventually is only Divine Sovereign Realm, now basically impossible can withstand the Savage World Pellet efficacy, but you actually.“

„This time returns to Northern God Territory, I prepares to look for that legend directly ‚Devil Empress‘ cooperation.“ The Yun Che vision flashes: „To have enough safeguard and ‚chip‘, I am best now, is the only way, then promotes your cultivation base..... you to feel by Savage World Pellet forcefully?“

Qianye Ying'er and Yun Che looking at each other, moment, she said slowly: „You have previously been restraining by force my profound strength restoration, feared is I am separated from your control. If my cultivation base surpassed you, you did not fear that..... I butchered you backhandedly!“

„That is before.“ The Yun Che superficial lifting hand, palm black glow flashes, Qianye Ying'er body suddenly has the black fog, aura also for it panicked and disorderly: „As my refining devil blood, cultivates Darkness Everlasting human furnace, under the strength of my present Darkness Everlasting, you really thinks that..... your also possibly is separated from my control?“

„,“ Qianye Ying'er very light smiling, said: „I think you will at least lose one's temper..... are really disappointing senseless gambling. Your excuse is very good, moreover seems like me also to have no leeway that the choice and strives.“

Her delicate hands turn, Absolute Beginning Divine Fruit had been clamped in in finger/refer by her, is releasing star light of difference.

But she has not lost it to Yun Che, but is jade-like finger gathers together, grasps it in the hand, in the foreheads floats off the one deep doubts: „Savage Divine Pith also on forget it/that's all. This Divine Fruit..... can come also too easily.”
