

When Shivam enters the House Julia was standing there and waiting for him, Neena was already Gone too bad After eating her dinner. "What happens you are okay right," She approached and looked towards him. "I am fine don't worry about me, is Neena went to sleep" Shivam looked in the direction of Neena's room. And turned his gaze towards Julia. "Yes, she is already going to sleep, but Why you suddenly left," Julia asked him. "you can say they were my comrade and wanted to take me along with them, but I decided to stay here with you guys for a while until this matter is not get resolved" He responded to her. "But we are about to leave " She responded to him with a worried face. "Sigh, things from my sides becomes awkward I can't take you there, I recently know humans are not allowed in that place, so yeah I decided to live here with you until I resolve this matter " Shivam looked towards her. " you don't want me here," He said. "It's not like that, I am just thinking why are you doing this for us, I owe you with my life, I don't know how I am going to repay you in my whole life" She bitterly smiles. "You don't have to, I am doing what I have to do So don't worry about that" He smiled And said those words. "But I just" She wants to say something but interested by him, he put his fingers on her lips and shut her... "You talk a lot, just leave things on me "He responded to her. Suddenly, Her heart started beating faster and her face becomes red... She felt attracted to him. "Can I get some free room, I want to cultivate " He whispered while he was standing next to her, hearing those words she nodded her head and signaled towards the empty room. "That room is empty, you can use that," She said in a timid voice. Hearing those words Shivam smiled at her and left towards that room leaving Julia behind in dazed. "What just happen now, I am about to kiss him, I just loosed myself" She mumbled and looked towards the room where he went to cultivate. "Sigh that's was a close call, Wtf I am thinking about," He mumbled and closed the gate from inside. "Hey Raphael what do I have to Do to start my cultivation," Shivam said. "Just use The Energy of those beast stones" Raphael Responded to him. Hearing those words He nodded his head and think About those beast stones who he gained after building Soul Subspace. And next moment 5 Advanced beast Stones Appeared in his grasp, in an instant whole Room filled with Mana energy. "This is the treasure, And I am lucky enough to get my hand on these stones" He mumbled Abd next moment He closed his eyes while he was sitting in the Lotus position. "Hey, Raphael I am ready, I have to gather energy in my body from these stones, Right," He asked. "Yes you have to Gather Energy from these Stones, Every realm has Ten levels, And you are Already in the level Five elementary spirit realm," Raphael responded to him. "Oh, so That'S why it is showing that I am already in the mid-level of the elementary spirit realm" He mumbles. "Yes, and there is also Another way to cultivate that mostly cultivator who doesn't have Sprit stones or higher Beast stone will usually do" Raphael responded to him. "There is Another way exist, I don't know about that," He said. "Indeed there is Another method, You have to gather Qi from your surrounding to cultivate in That way" Raphael responded to him. "So I can also cultivate while Using Qi from my Surrounding This is very Useful info you gave me, I will try that method in future but I am in hurry, I don't know when that guy will attack I have to be strong enough to protect my self if any dangerous situation occurred." He thought to himself. "Then let's start cultivating " He mumbles and the Next moment he closed his eyes again. And He started gathering Energy from those stones, Suddenly his body Started Gathering mana Energy From those beast Stones and his body started feeding on that Energy. Ding, [Mana Energy Detected, Cultivation mode Is Activating] A notification Resounded in his mind And Hearing that notification he nodded his head With a smile on his face. <You have cultivated for the first time, unlocking Mana Energy Experience><10/5,000><20/5,000><30/5,000>....<5,000/5000> His Mana Qi Experience increased by 10 for every second he cultivated. Additionally, when he activated through the System Cultivation mode, his breathing naturally became calm and rhythmic, and his entire body felt refreshed, almost as though it was breathing through every existing pore. Within just a few minutes, Shivam suddenly felt his entire body explode with a cool feeling, almost like he had been thrown into a pool of cool water on a hot day. <You have succeeded in breaking through In Sixth Level Elementary Spirit Realm!><All stats +100> Ding, Ding, [Name: Shivam][Level: Tier 5 Chaos Dragon [Mythical Class][Cultivation level: Sixth Level elementary spirit realm[Strenght: 1200+100][Hp: 18000+100][Wisdom: 80+100][Charisma: 50+100][Speed:600+100][Mp:8000+100][Race:
